Dear <first name>:

We are pleased to present this replacement policy offer from American Modern Property and Casualty Insurance Company ("American Modern P&C").

**What's happening?**

Simply put, instead of a renewal notice, you are receiving this offer for a new policy from American Modern P&C, an affiliate of your current insurer, as a replacement for your current policy. The replacement policy will be comparable to your current policy. Because of this change, your current policy number <previous policy offer number> will not renew.

**This change requires that you activate the new replacement policy.** Please note that if you do not activate the replacement policy by <policy end date>, your current policy will expire and you will be without coverage.

We realize this change will require additional effort on your part, and we apologize for that. We've made the activation process as quick and easy as possible. **Simply follow these steps to activate your replacement policy today:**

- 1. Review your replacement policy offer.**  
Enclosed is an "Important Notice" that describes the coverage differences. Please review it to make sure the replacement policy offer meets your insurance needs.
- 2. Locate your policy number and activation code below.**  
Policy Number: <replacement policy offer number>  
Activation Code: <activation code>
- 3. Go to [www.amig.com/mypolicy](http://www.amig.com/mypolicy) to activate your policy.**  
Enter your policy number and activation code and follow the prompts to activate your replacement policy. Choose EZPay to automate your payments and you'll enjoy the flexibility of choosing your payment frequency and due date.

*(Note: You may also activate your policy by mailing us a check or via credit card over the phone at 800-543-2644.)*

<Vacant Policy>

If you need help, please call us at 800-543-2644. Thank you for choosing us for your insurance coverage.

Sincerely,
